... because they have not eaten since Friday"

SPECIAL TEAM PROJECT

Hygiene Kits

WHAT CAN WE DO?

Other than food, many of our local students need hygiene items and you can impact a child's life by making a kit. Once the kits are made, [FoodForDays Backpack Meals Ministry](#) will distribute the kits to the Schools to deliver to the students who need them most. Thanks!

WHO CAN HELP?

Hygiene Kits are a fun way for Young and Old, Families, Neighbors, School Classes, Clubs/Leagues and Businesses to get together to serve local Children in need in our community. By meeting this need, these local children can focus better on their education.
